- CAR PARKING is only permitted in the designated areas at the entrance to the Campsite. Trolleys are available to transport camping equipment to the sites. No cars are allowed passed the barrier without the warden's permission. There is limited parking on site. As a courtesy to the neighbours, please avoid parking on the road verges.
- FIRES- No new fire areas to be created. If the fire areas are insufficient, please approach the duty warden who will endeavour to supply portable altar fires. The duty warden will advise on the disposal of wood ash.
- FIREWOOD – We try to provide as much natural wood as possible. This relies very much on the generosity of local tree surgeons and the site team whose job it is to chop it into usable pieces. Please take care to use wood sensibly and as economically as possible. We do not take kindly to wasteful burning! Trees (even dead ones) must not be cut unless with the express permission of the duty warden.
- RUBBISH – all rubbish to be deposited in the appropriate container. Plastic sacks (tied and sealed please) in the wheelie bins, or the large bins adjacent to the Tuck Shop. *Please use the correct bin – instruction on the front of the bins.* For loose litter there are many bins around the campsite – please use them. The Quarries Service Team works hard to ensure the cleanliness of the campsite, but it is the responsibility of ALL users to see that dropped litter finds its way into a bin. -
